Newsletter April 2023

Dear $[FNAME|Member]$,

Welcome to the April newsletter from EOPD.ie. We would like to wish you a happy Easter and remind you that Tuesday the 11 of April is World Parkinson's day.

Membership Renewal 2023

Membership is now overdue and should be paid immediately. The membership is not just a financial issue, it quantifies insurance cover, allows us to advocate on your behalf with industry and government.

You will have received an email with the Invoice and the payment options. If you have any issues please email info@eopd.ie or call 0861030266.

World Parkinson's Congress WPC 4 to 7 July Barcelona Spain

It was decided that EOPD.ie would not be sending a delegation to the World Parkinsons Congress. However, some of our members intend travelling to the event. Anyone attending who is interested in becoming a member of a (Very unintensive) Irish WPC What's app group, should contact Shane Breslin - 0871318317 by text with their name and telephone number.

University of Limerick project to monitoring of speech and voice can be conducted by individuals with Parkinson’s Disease

What's the project about?

This study will examine the measurement of voice characteristics to help track the progression of Parkinson’s Disease(PD). The purpose of this project is to see if effective monitoring of speech and voice can be conducted by individuals with Parkinson’s Disease
in their own homes.

To sign up and participate in the study, please click on this link: https://eopd.airfieldresearch.com/.
