Volunteers with Parkinson's Needed!

February 22, 2025

The Irish Society of Chartered Physiotherapists is proudly hosting the LSVT BIG® Training Course for Physiotherapists and Occupational Therapists on 21-22 February 2025. We are seeking volunteers with PD or similar conditions to take part in an interactive exercise session with therapists at the course.

- No prior experience with LSVT BIG is needed.
- All ages and ability levels are welcome.

Therapists will be learning LSVT BIG, an evidence-based, intensive treatment programme designed to improve movement, balance, walking, and daily activities for individuals with PD.

To learn more, email our volunteer coordinator: Phillip Murphy at pmurphy@ISCP.ie or +353 (0)1 5240 931

"It has been a wonderful experience to help with the LSVT BIG training. As a person with PD, to get advice from so many therapists has helped me. This has been the inspiration that I needed to keep me working out on a day to day basis with LSVT. Thanks for the opportunity to be part of the training."
